"What I want is so simple I almost can't say it: elementary kindness. Enough to eat, [enough to drink,] enough to go around."

-Barbara Kingsolver

Clean Water for the World's mission is a non-profit organization dedicated to providing simple, adaptable water purification systems, at no charge to communities without access to potable water. For 10+ years, installing 260+ water purifiers, CWFV has provided more than 150,000 people with access to clean water.
